**All:** The Lord's Supper is a sacrament of the new testament, wherein, by giving and receiving bread and wine according to the appointment of Jesus Christ, his death is showed forth; and they that worthily communicate feed upon his body and blood, to their spiritual nourishment and growth in grace, have their union and communion with him confirmed, testify and renew their thankfulness, and engagement to God, and their mutual love and fellowship each with other, as members of the same mystical body.

\* **We Sing in Response:** #253 Red Hymnal "*There Is a Fountain Filled with Blood*"

**We Read From God's Word:** Luke 22:14-23

**We Confess Our Sins Together:**

Our Father, save us from ourselves, from the artifices and deceits of sin, from the treachery of our perverse nature, from denying your charge against our offenses, from a life of continual rebellion against you, from wrong principles, views, and ends; for we know that our thoughts, affections, desires and pursuits are alienated from you. Although you are love itself, we have contrived to tempt you to the uttermost, to wear out your patience; have lived evilly in word and action. O, Father of our spirits, King of our lives, cast us not into destruction, drive us not from your presence, but wound our hearts that they may be healed; break them that your own hand may make them whole. In the name of Jesus, we confess, Amen!
